**Launching MORPHEUS 8. THE FAMOUS JUDY MURRAY TREATMENT.
LOVED BY AMANDA HOLDEN, KIM KARDASHIAN, NADINE BAGGOT AND ELYSIA!**

LISA, owner of ELYSIA says, "this is a treatment that I've personally wanted to introduce into the clinic for some time. I'm so excited and thrilled to be able to work with INMODE and take your results to another level by offering this prestigious treatment.

"THE BEST PART..."

I know after my own treatment journey experience, the skin improvements and long-term skin health results are exceptional. (I also didn't think it hurt)".

MORPHEUS 8 - WE ARE THE ONLY CLINIC IN THIS AREA TO OFFER THIS OUTSTANDING TREATMENT. THIS SUPERIOR TECHNOLOGY IS A SARD DEVICE (SUBDERMAL ADIPOSE REMODELLING DEVICE).

It uses Fractional Radio Frequency with programmable treatment depth and burst technology. This enables us to treat multiple depths of dermal and adipose layer within a single pulse. The result – collagen reforms and connective tissue becomes tighter and stronger. The face is lifted and volumised in a natural looking way. We are making your skin and body do the work.

This FDA approved treatment treats fine lines and wrinkles, laxity and sagging skin, textural concerns, enlarged pores, stretch marks and improves hyperpigmentation.

Morpheus 8, compared to other forms of radiofrequency needling or skin resurfacing has several benefits, including more precise targeting of skin depth for deeper tightening and reduced risk of post-inflammatory pigmentation.

JUDY MURRAY...

"THE LINES ON MY FACE HAVE SOFTENED SIGNIFICANTLY AND WHAT I LOVE ABOUT IT MOST IS HOW MANY PEOPLE ARE NOTICING AND SAYING WHAT HAVE YOU HAD DONE TO YOUR SKIN AND THEN I TELL THEM IT'S ALL A NATURAL TREATMENT AND THANKS TO MORPHEUS 8."

AMANDA HOLDEN...

"THE RESULTS HAVE BEEN ABSOLUTELY AMAZING. I'VE NOTICED A REAL PLUMPNESS TO MY SKIN AND IT'S MUCH TIGHTER. I'M MORE THAN HAPPY TO SHOUT FROM THE ROOFTOPS ABOUT HOW BRILLIANT THIS NEW TREATMENT IS. IT'S THE BEST HOUR'S INVESTMENT FOR LOOKING AT LEAST 5 YEARS YOUNGER."

KIM KARDASHIAN...

"A GAME CHANGER."

NADINE BAGGOT...

"I LOVE A BELT AND BRACES CLINICAL TREATMENT. I AM A HUGE FAN OF IPL AND MORPHEUS 8...."
